

Yana Abrahams is a burgeoning creative intimacy coordinator based in Cape Town. Led by her background in sexual health education, she has entered ICing as an extension of her personal mandate to shape healthy gender and power dynamics on-screen and behind the scenes.

Otherwise working in production, she has produced the music videos “Liddy” and “Inside” for Dope Saint Jude, and has several short films and music videos in post-production. The narrative productions she has worked on nonetheless explore authenticity and sexuality, reflecting her commitment to sincere representations of intimacy.
