

Lea Vivier is an award-winning actress and intimacy coordinator working across Europe and South Africa. She trained as an intimacy coordinator through SAFE SETS' SAG-AFTRA accredited program, building on more than a decade of experience as a professional stage and screen actress.

In addition to her work as an actress and intimacy coordinator, Lea is a movement coach with a background in classical ballet, modern dance, classical Pilates, and yoga. Having worked in film and television since the age of six, she brings a deep commitment to storytelling that is authentic and brave, while also respecting and safeguarding the cast and crew involved.
